Re: Uintah River Storage Schedule Order dated August 30, 1990

Dear Mr. Morgan;

The "Uintah River Storage Schedule Order dated August 30, 1990" was discussed at length at the September 6, 1990 regular board meeting. Many of the Board were disappointed in the decision reached by the Water Rights Division. As has been discussed with you in the past, it has been the belief by many of this Association that change of use should not change the priority. But, after a lengthy discussion, it was decided that the decision reached by your office was as equitable as possible in as much as everyone gave some and all had some benefits.

After receiving a hearing notice from Water Rights, it was discussed again in the October 4, 1990 board meeting. I have been directed to write to you and let you know that this Association supports your previous decision and would rather have you leave it as ordered August 30, 1990.

Thank you for your efforts to make this schedule fair and equitable.

Sincerely;

Lynn R Winterton  
Manager
